### Trips

This Week Rowan B attended Hydrotherapy at The Barn. What a fabulous place! Everyone loved the warm water, colourful lights, relaxing music and bubbly spa experience.

Early Learners had a fabulous time at the Chill Factor. They tried out the snow slide and enjoyed feeling the cold, slippery snow.

Rowan C have been to Belong Café to practice their life skills.

1W went to Bolton Market this week as part of their topic 'the study of Africa'. The children had a wonderful time sampling some very tasty African food such as plantain and dumplings.

## Bugs, Coughs and Colds!

Once again we have had a number of bugs going around school, effecting both pupils and staff. We know we are always trying to promote attendance but if your child is poorly we do not expect them to be in school. The children are likely to recover more quickly if they stay at home resting rather than coming into school and struggling through the day. This just often makes the illness last longer and passes it on to others. If you child is unwell please don't worry about them being off school for a few days.

## Early Years Playground

The some of the new equipment in the playground is already installed. It is only to look at, at the moment, as the safe surface has yet to go down. It is looking great though and we are all really excited. So far the weather has been kind to us so everything is on track. We have had to change the drop off and pick up point for one of the buses, as some of the main playground where they normally park is closed off. We are just letting you now in case your child mentions it. It will only be for a few weeks.
